Entertainment in the Lounge

We are happy to see our entertainment in the lounge being so successful. Keep in mind that Saturday nights can be busy and we apologize if the wait is a little longer at the bar. We are adding another bartender to the nights that we feel will be busier. In saying this sometimes nights end up busier than we think and we ask for your patience and understanding during these times.

The Rocky Horror Picture Show

All you Rocky Horror fans, the Legion is putting on the Rocky Horror Picture Show and Dance on Friday October 4th. Tickets available at the bar so get your tickets early. This is sure to be a sellout. Movie starts at 6:00 p.m. \$20 pp. advance / \$25 pp. at the door (includes late lunch)

Legion Week September 15-21

A big shout out to all the volunteers involved in a very successful Legion Week. **We would like to thank the Ways and Means Committee for all their planning and organizing.** Our Volunteer Appreciation Barbeque was not as well attended as we would have liked, perhaps you don't even recognize yourself. All the people that volunteer on the Executive, everyone who does a meat draw, a door, running around, helping with decorating, kitchen help, help during the Poppy Campaign, any one that sits on a committee, Poppy canvassing etc. Where would we be without you? A big thank you to Una and Sheila for hosting this event. The Pork Patio Party and karaoke night were well attended. A big thank you to Scott Beath, Rob Lloyd and Stuart Hayward for volunteering to prepare the meal for the Pork Patio Party, as well as to Maria, Tracey and Theresa for serving food and Tom for hosting. Special thanks to Tom who went out of his comfort zone to host Cornhole. Rumor has it that if encouraged he may do it more frequently. The Bake Sale was another huge success thanks for all the donations and to Ruth and Sue DeMille for hosting. Also thanks to Una and Roberta for hosting a fun shuffleboard afternoon.
